2023 Fall Flyer

The Renville County West Community Education program is designed to support education outside the normal realms of school by providing learning opportunities for the area community. A traditional school schedule can be expanded to include after school and early evening activities. Parents are encouraged to enroll their students. Community Education also offers opportunities to participate in other learning experiences through a variety of classes offered several times a year by talented individuals who want to share their knowledge, talents, or hobbies. We hope you find our selections of classes interesting and enjoyable. We welcome new ideas and instructors for future classes.

Pre-registration along with the event fee is required for all classes by the designated deadline for each class. Participants must be registered and fees paid prior to the first class/activity. Classes that don't meet the minimum participation are canceled by the instructor so sign up early if you want to enroll in a certain class.

Mail payments to **RCW Community Ed, PO Box 338 Renville, MN 56284** indicating which class or event you are paying for. Be sure to include phone number and/or email address for best way to contact you. If you have a student enrolled in RCW you may use the JMC Online Payments feature on the school website. Follow the menu to select the class you are choosing to register for. Contact Janette Wertish, Community Ed Coordinator at 320 212 7613 or email communityed@rcw.k12.mn.us with any additional questions or concerns regarding your selection. Like and follow us on Facebook and on the RCW school website for other classes offered. If you are not able to attend a class after enrolling, cancellations must be requested prior to the class registration deadline. Forfeiture of your registration fee will occur if requested after the deadline. Events with a maximum number of participants will be based on date and time of payment.

Disclaimer: The Community Education office reserves the right to cancel any class due to insufficient enrollment as required by the instructor. A full refund will be given to all registrants. If RCW classes and activities are cancelled due to weather, Community Ed classes/activities are also cancelled. If the class is postponed due to weather, another date will be selected for the class. If a person is unable to attend the new date, a full refund will be given.

Community Ed Advisory Board members,
Phyllis Bruns, Jose Cruz, Katie Dahl, Brandy Lanning, Maria Kramer, Amanda Person,
