

## **RCW SCIENCE FAIR INFORMATIONAL MEETING**

**Hello Parents! All students in grades 4, 5, & 6 will be participating in the science fair program as part of their science curriculum at Renville County West Elementary School. Students that participate in science fair programs gain a greater knowledge about science, while developing important life skills. Students will be taught to be problem solvers, well organized, and communicate effectively with others. Please plan to attend the short informational meeting that will outline the science fair process. It is important that you attend this meeting so you and your child can receive a handbook along with other helpful information for getting started with a science fair project.**

**WHEN? October 29, 2018 @ 6:00 p.m.**

**WHERE? RCW Small Gymnasium**

*Sincerely,*

***RCW Elementary Science Teachers & Administration***
